ADDITIONAL INFORMATION

- All our warehouses are insured. If you require insurance for your products, please arrange it yourself — we do not provide product insurance.
- Software integration for FBM sellers and seamless connectivity with almost all marketplaces. Orders arrive in real time and ship the same day if placed before 3:00 p.m. ET.
- Our warehouses do not have temperature-controlled storage.
- We operate multiple warehouses in the New Jersey area and allocate each client to the most suitable one.
- Need an additional service? Email us at support@pickpackship.us.
